

## HOW TO OPERATE THE CANDLE

1. Remove plastic pull tab from battery compartment.
2. Slide switch to “ON” position to turn candle on.
3. Slide switch to “OFF” position to turn candle off.

## BATTERY REPLACEMENT

Using a coin, turn door  $\frac{1}{8}$  turn – counterclockwise. Remove battery and dispose of in a safe manner. Insert one new CR2032 3V Lithium battery, ensuring correct polarity (“+” icon should be visible). Replace battery door and turn  $\frac{1}{8}$  clockwise with a coin to tighten.

*NOTE: Prior to battery installation, clean battery and compartment contacts.*

## CANDLE CARE

To clean your candle, use a soft, dry cloth.

## CAUTION

- **This product contains a button battery. If swallowed, it could cause severe injury or death in just 2 hours. Seek medical attention immediately.**
- This is not a toy. For decorative use only.
- Keep batteries away from children. If swallowed, consult a physician immediately.
- **Replace batteries ensuring proper polarity.** Failure to insert batteries in the correct polarity may shorten the battery life or may cause them to leak.
- Replace used batteries with CR2032 3V Lithium batteries.
- Remove batteries if exhausted or if product is to be left unused for a long period of time.
- Batteries should be recycled or disposed of in a safe manner.
- Do not dispose batteries in fire.
- Avoid contact with water.

**Please note:** The colour intensity and shade may vary from candle to candle. Due to various environmental factors, the colour may change or fade over time.

### **WARNING**

#### **CHEMICAL BURN HAZARD.** **Keep batteries away from children.**

This product contains a lithium button/coin cell battery. If a new or used lithium button/coin cell battery is swallowed or enters the body, it can cause severe internal burns and can lead to death in as little as 2 hours. Always completely secure the battery compartment. If the battery compartment does not close securely, stop using the product, remove the batteries, and keep it away from children. If you think batteries have been swallowed or placed inside any body part, seek immediate medical attention.
