

Battery Operated 60 LED Rope Light

This gorgeous lighting accessory adds vintage chic together with a touch of sparkle to your home or garden!

Features:

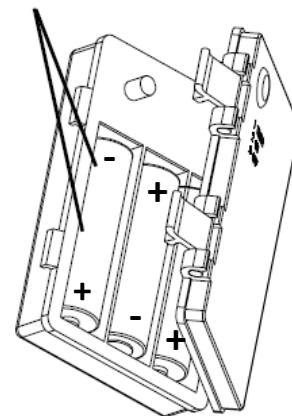

- Rope length 4.5m – Full cable length 6.5m
- IP44 weatherproof rated.
- Real hemp rope.
- Intelligent Timer mode to automatically turn your light on and off.
- Mounting hook for the control box, so you can install wherever you want.
- Rope can be wrapped around almost any surface. Perfect for decorating gazebos, trellises, trees or posts.

Instructions for use:

- Battery powered: This light requires 3 x AA batteries
- To turn the lights on continually, press the button twice for 'On' mode.
- Press again to turn the light off.
- Pressing the button once will enable 'Timer' mode.
 - 'Timer' mode will enable the light to come on for 6-hours and automatically turn off. The light will then turn itself back on at the same time each day, at the time you initially set it. So, if you activate the light at 6pm, it will stay lit until 12am when it will turn off for 18 hours. Then, at 6pm the next day it will reactivate.
 - If you want to change the start time, simply turn the device off and re-enable the 'Timer' mode at the correct time.

3x AA batteries

Battery installation:

1. Lift the clips to open the control box door and expose the battery compartment.
2. Insert new batteries, following the polarity markings shown.
3. Close the compartment and secure the clips.

Caution:

- Do not submerge in water.
- Please dispose of batteries correctly.
- Do not mix old and new batteries or of different types.
